

Kansas DU Auxiliary Sponsor Print Form 2026-27

For decades, Kansas Ducks Unlimited sponsors have received a limited-edition print as a tangible thank-you for their generous support. Even though a new state sponsor print is not being produced this year, your chapter can continue a tradition your longtime sponsors have come to know and appreciate.

Sponsor prints are a meaningful, lasting thank-you without the expense of higher-cost gifts like firearms or coolers. Best of all, your sponsors still walk away with something special that recognizes their sponsorship and connects them to Ducks Unlimited and the conservation work they help make possible.

Fan Favorites Are Back! We've brought back a selection of some of the most popular Kansas Sponsor Prints from years past—and this year, your chapter gets to choose. Select the artwork you think your sponsors will be most excited to receive, or choose more than one to give them options. You know your sponsors. Choose the art they'll love—and keep the tradition going.
